

INFORMATION

Jobs for February

Now that the daylight hours are getting slightly longer, we can welcome more visitors, keen on gardening, to the centre. The plant area changes with the seasons, offering interest and a huge range of perennials, shrubs and climbers for your garden and patio.

GREENHOUSE

- * Maintain and clean your greenhouse. It's easy - just spray Jeyes Fluid or Armillatox inside and out (after clearing the contents), leave for 2 weeks, then blast with hosepipe. Then use fumigation smoke and you're now ready to start growing again.
- * Sow Sweet Peas now.
- * If you haven't a greenhouse, why not take a look at our large range of wood and aluminium greenhouse's in a choice of sizes and even coloured models. Buy now and have it erected, ready for Spring.

BULBS

- * Plant Now - ready growing potfuls of Snowdrops, Crocus, Iris, Daffodils & Narcissi and Tulips.

SEEDS

- * A large range of Johnsons seeds in store now from flowers to vegetables. Just ask us if you require any help or advice.

AVAILABLE IN STORE

- * There is an excellent range of books on gardening and garden design.
- * Great garden accessories and tools.
- * Range of seeds, bulbs, Onion sets and Seed Potatoes.
- * Distinctive gifts.

HERBS

- * A selection of fresh herbs now in stock. Plant in tubs or pots to pick fresh for the kitchen.

FRUIT

- * Fresh stocks just arrived, including Raspberries & Strawberries.
- * Peaches and Grapes can now be planted in the greenhouse.
- * Last chance to spray Mortege Winter Wash to clean up 'over wintering pests'.

VEGETABLES

- * Choose vegetable seeds now.
- * Dig over non-dug plots ready for Spring.
- * Apply manure to vegetable plots.

Alpine Planter

FLOWERS

- * A choice selection of late Winter to early Spring blooming perennials & shrubs, continue to arrive in our plant area.
- * New stocks of alpines, fresh in, to brighten up your borders.
- * Why not build a rockery or a trough garden.

FEED THE BIRDS

- * We stock a fattening feast of wild bird seed & snacks to keep their little pecker's up during the cold months.

PLANTS LOOKING GOOD THIS MONTH

- * Helleborus - including the 'Christmas Rose'.
- * Corylus avellana contorta - Twisted Hazel.
- * Daphne mezereum - Scented flowers.
- * Sarcococca - Christmas Box, fantastically sweetly scented.
